ABOUT ME

Date of birth\_11/11/1975      Nationality\_Greek      Sex\_male

Hi, I'm George Tzinetas. I am a dad, teacher, web (designer + developer), photographer and maker. I like to design experiences and things with functionality and structure in mind. I love to develop and code to tailor needs. I like to solve problems to make life better/easier. All the above feed my appetite for creativity that keeps my brain and emotion moving.
